

Hello, Exhibitors! Thank you for entering the New Years 2018 (December 29-31) CPE Trial hosted by AgileDogs Agility Training. This is your entry confirmation. We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 7 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently.

Site Details:

There are a few rules that we're asking people to follow so that we can use High Goal Farm for future trials. The pond, barn, livestock, woods, and Cerilli house are off limits to anyone at the trial. Anything else that is roped off is also off limits to anyone at the trial. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring must be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using only high occupancy x-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above requests. In addition, please note that the building will be kept at approximately 58 degrees, so come prepared to dress in several light layers while in the building.

Awards:

- Perfect weekend rosettes will be awarded to teams achieving Q's in all 12 runs.

CATALOGS:

Only a few copies of the run catalog will be available at the trial. The catalog will be available for download and printing on Wednesday night, December 26th, on www.agiledogs.net

VOLUNTEERS:

The volunteer schedule will be posted on the AgileDogs website by Wednesday night 12/26. Thanks to all who volunteered!

Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner.

If your job for a given class is timer, scribe, assistant scribe, or gate steward, please report to the chief ring steward when the briefing for the class begins, so you can prepare for your job and so the judge can brief you if needed – thanks! If your job is anything not already mentioned, you can report any time before or during the walk through.

FUND RAISER:

We know money is tight for everyone, but Lisa Norris, one of our own, is once again battling the high costs of travel expenses for her trips to Boston for treatments and doctors appointments. Medicaid does not cover these travel costs, and she has depleted her funds paying these extra expenses from her recent trip. Jean and Gary Guyon and Clancy Holdren are sponsoring a 50/50 raffle to go to help defray her latest expenses. Amongst other things being raffled off is a wing jump and AgileDogs Gift Certificate. Please see Jean or Gary at the trial for more information and to purchase tickets.

MOVE-UPS - CLOSING DATE:

During the trial, move-ups will be taken at the show, and must be submitted to the Show Secretary before the completion of the last class of the day. Thank you for your cooperation.

The deadline for contacting the secretary with move ups or corrections before the trial is 7pm on Monday, December 24th. Any changes to entries made after that date will be subject to a \$5 service change fee, regardless whose fault it is.
