NOTICE TO EXHIBITORS

- ✓ The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- ✓ Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$5 will be given for bitches in season. A letter from your veterinarian is required.
- ✓ It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and/or children. Any exhibitor whose dog(s) and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- ✓ No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- ✓ Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- ✓ Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the show.
- ✓ There will probably be a food vendor on site; we will provide more information in the trial confirmation letter.
- ✓ Frank Jansen will be on site both days taking both action photos and still shots. His website is www.frank-jansen-photo.com
- ✓ Both rings will be enclosed with 4' high snow fencing.
- ✓ RV parking and overnight camping for RV's and tents is not allowed on site, but RV's are allowed to park at the show site during the day. We have listed several local campgrounds that you can use for overnight RV parking in the hotels/accommodations section.
- ✓ Vendors of dog-related items and services are welcome! Fee is \$20 per day (or like amount donated to the worker's raffle each day) for a 10' x 10' space, and is payable on Saturday morning at the latest to the trial secretary's table. All vendors must pre-register with Melinda Schneider (413-443-1687, Melinda@agiledogs.net).

HOTELS THAT ACCEPT DOGS

SOME HOTEL COURTESIES TO OBSERVE: We want to keep all of these wonderful hotels for future trials, so please use care with your dogs in these motels! The information presented below was in effect at the time this premium was prepared; please confirm rates and pet policies with the hotel.

- ✓ Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.
 - ✓ Make every effort to have your dog free of fleas BEFORE arriving
 - ✓ Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Remember that your motel is an extension of the show site. You must clean up after your dog.
 - ✓ Don't leave your dog(s) unattended. If you must leave, either take them with you, or leave them crated. Even the best dogs(s) can get carried away having fun in a motel room without you present. We WILL request reports from the motels as to the behavior of agility guest and their dogs. Please be respectful of your motel neighbors.

Shatford Park is located in New Lebanon, street address is just north of 14755 Route 22.

From the South: Take the New York State Thruway North to exit 21A, the "Berkshire Spur", and get off at exit B3 (Austerlitz/New Lebanon). * Follow signs for Route 22 North. Take Route 22 North for approximately 9 miles to the town of New Lebanon. At the red blinking light take a right to stay on Route 22 North. **About a mile later, take a left just before the Hess Gas Station to stay on Route 22 North; go 3/4 mile, past New Lebanon Central School. You'll see the park on the left. Go past the park and take a left after the New Lebanon Town Hall onto Old Post Road. Go 0.2 miles to the park entrance on the left.

From the West: Take the New York State Thruway to exit 24, Albany. Stay on I-90 (this is a no-toll section) until exit 11E, which is Route 20 East. Turn right onto 20 East, and follow it for approximately 17 miles; go straight through the blinking yellow light in New Lebanon. Follow directions from ** above.

From the East: Take the Mass Turnpike to the New York State line, where it becomes the New York Thruway. Take the very first exit in New York, Exit B3 (Austerlitz/New Lebanon), and follow directions from * above.

From the North: Take Route 22 South. Go through the towns of Berlin and Stephentown. 1.8 miles after passing into Columbia County, take Old Post Road on the right (at the base of the hill). Be careful, as the road comes up on you quickly. Go 0.2 miles to the park entrance on the left.

PLEASE READ BEFORE FILLING OUT YOUR ENTRY FORM

Effective February 1, 2007 – Directions on entering CPE trials

Each dog must be entered in **ONE** of the following four height categories for a trial (a trial may be one day or two or more consecutive days):

Regular – the dog will run at its P-card height or higher in the regular level classes.

Veterans – the dog will run at 4" lower than its P-card height, and will run in the regular level classes. The armband number will have a "V" after the number. Veterans will continue to place with their regular P-card height peers in the regular class results postings.

- Any dog that begins showing in CPE on or after February 1, 2007, cannot enter Veterans. The dog MUST enter Enthusiast to jump 4" lower.
- If a dog has been showing in Regular prior to February 1, 2007, that dog may move to Veterans before OR after February 1, 2007.

A veteran dog is one of the following:

- Any dog 6 years or older the day of the trial.
- Any breed exception (see www.k9cpe.com rules page for a list of breeds), 3 years or older the day of the trial.
- Any dog that measures over 24" at any age over 15 months.

Enthusiast – the dog will run at 4" lower than its P-card height (any age over 15 months), and will run in the Enthusiast level classes. The armband number will have a "T" after the number. Will place separately from the other height categories.

Specialist – the dog will run at 8" lower than its P-card height (any age over 15 months), and will run in the Specialist level classes OR level "S". The armband number will have an "S" after the number. Will place separately from the other height categories. Level "S" will place separately from the Specialist - individual level dogs.

- Any dog that begins showing in Specialist on or after February 1, 2007 cannot enter Level "S" Specialist. The dog MUST be entered in the Specialist - individual class levels to jump 8" lower.

P-card: Permanent Card. The height card shows the lowest allowable height a dog may jump in the regular height category. A dog may jump higher than its P-card height in the regular height category only.

- ANY dog without a P-card MUST be measured (including 24" dogs). ANY dog that has turned 2 years old since its last measure MUST be measured.
- If you have a P-card for 8" and your dog's actual measurement is 8" or less, have your dog remeasured at the next show for the regular 4" jump height.
- **If a premium requests you send a copy of your P-card with your entry: PLEASE DO SO!** The club may be using their own trial secretary program, not CPE's, and MUST have your CPE card to ensure your legs are credited to the verified CPE ID number.

Jump heights – no dog will jump lower than 4"

Measurement	Regular (P-card or higher)	Veterans	Enthusiast	Specialist
8" or less	4"	4"	4"	4"
over 8", 12" or less	8"	4"	4"	4"
over 12", 16" or less	12"	8"	8"	4"
over 16", 20" or less	16"	12"	12"	8"
over 20", 24" or less	20"	16"	16"	12"
over 24"	24"	20"	20"	16"

Just starting in CPE? Changing jump height categories? Which level to enter:

When a dog first begins showing in CPE, the handler must decide what level to begin at: Level 1, 2, or 3 in Regular, Enthusiast or Specialist. No dog is allowed to begin higher than level 3.

NOTE: If a dog is entered in one height category at a higher level, and the handler moves the dog to another height category, the dog may begin that height category at a different level. EX: dog is entered in Regular level 3, earns a Q, handler wishes to move to Specialist, the dog is again allowed to begin at level 1, 2, or 3.

Once a dog shows in a specific level within a height category in CPE, the dog cannot be moved to the next higher level for a respective class within that height category, until the requirements have been met for that class. If a dog does NOT receive a Q, at the next show, the handler may choose to restart within that height category at a lower level.

Level 1 – Standard has no teeter or weaves. All games must have teeter and weaves optional if within the design. Games: levels 1 & 2 are always combined. ANY dog AND/OR handler MAY begin in level 1 regardless of training or other agility venue experience.

Level 2 – Standard will have the teeter and weaves. ANY dog AND/OR handler MAY begin in level 2 regardless of training or other agility venue experience.

Level 3 – Games are often combined with the higher levels: level 3 will always receive more time in the faultable classes and is required to obtain fewer points in the point classes. Dogs beginning in CPE level 3 should have other venue trial experience or have earned other agility venue titles.

Levels 4, 5, C – no dog may begin showing in CPE at these levels. For a dog to enter Levels 4, 5 or C in any class, the dog must have completed the previous level's requirements for that class.

Level S – see Specialist above. Dogs entered in level S will run level 3 courses.

There are new tracking forms on the forms page of the website. **It is the handler's responsibility to keep track of records obtained at the shows.** If a leg is missing for any reason, the handler must supply CPE with the details for research. If the details are not known, CPE cannot research the leg.

General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the show site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Forms cannot be emailed or faxed.
- Dogs run without collars.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10' feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. Exhibitors may not use the warm-up area to relieve their dogs.

Questions? See the rules page on the website, www.k9cpe.com or the January 2007 rulebook. If you have further questions, email CPE – cpe@charter.net.
