

Hello, Everyone! Thank you for entering the June 13-14, 2015 CPE trial hosted by AgileDogs Agility Training. This is your entry confirmation. Your individual entry confirmation will be coming in a separate email. Please be sure to look at it closely and let me know of any errors or move ups.

We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 8 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. We may be utilizing a second ring for some classes to minimize down time. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently and for any changes to the schedule.

Awards:

Perfect weekend rosettes will be awarded to teams achieving Q's in all 10 runs.

VOLUNTEERS:

The volunteer schedule will be posted on the AgileDogs website by Thursday. Thanks to all who volunteered! If you want to volunteer or have questions, please email Lisa Norris, jumpinbeandogs@hotmail.com. Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner.

If your job for a given class is timer, scribe, assistant scribe, or gate steward, please report to the chief ring steward when the briefing for the class begins, so you can prepare for your job and so the judge can brief you if needed – thanks! If your job is anything not already mentioned, you can report any time before or during the walk through.

FOOD:

We are pleased to have Clancy's Place as our food vendor; they will be offering breakfast and lunch all weekend. Volunteers will get lunch tickets good at the food vendor.

MOVE-UPS - CLOSING DATE:

During the trial, move-ups in Standard and FullHouse will be taken at the show, and must be submitted to the Show Secretary before the completion of the last class of the day. Thank you for your cooperation.

The deadline for contacting the secretary with move ups or corrections before the trial is the end of day on Monday, June 8th. Any changes to entries made after that date will be subject to a \$5 service change fee, no matter who made the error.

From the East: Take the Mass Pike to the end. Continue on I-90 to the next exit, B-3 in Canaan, NY. At the end of the ramp go right, 22 North. In New Lebanon, Route 20 and 22 run together for a short while. Make sure you stay on Route 22 by bearing left just before the a boarded-up gas station on the left. Continue approximately 4 miles to the traffic light in Stephentown where Routes 22 and 43 intersect. Go straight to continue on 22 North. Follow Directions from the 22/43 Intersection below.

Alternate directions from the west (takes less time, but has hilly and curvy sections just North of Stephentown): from the non-toll section of I-90 take exit 8, Route 43 Eastbound. Follow for approximately 8 miles to the intersection of routes 66 and 43 in Sand Lake. Turn right at the light to stay on route 43. Follow for approximately 10 more miles through Stephentown to the light at the intersection of Routes 22 and 43. Turn left at the light to stay on route 43. You will go over a little bridge, you'll see farm buildings and straight ahead on the right you will see the training building - white domed roof with tan walls and windows. There is a driveway marked by two metal fence posts just before the building; follow that driveway to the rings and parking.

Directions from the 22/43 Intersection: Heading North on Route 22, you'll go up a hill where 22 becomes 2 lanes. The road right next to that house is Giles Road or County Route 33. Take that road, it takes a sharp right at a horse farm (you'll see tan buildings and split rail fencing on the right). You will go over a little bridge, you'll see farm buildings and straight ahead on the right you will see the training building - white domed roof with tan walls and windows.
