Effective February 1, 2007 – Directions on entering CPE trials

Each dog must be entered in **ONE** of the following four height categories for a trial (a trial may be one day or two or more consecutive days):

Regular – the dog will run at its P-card height or higher in the regular level classes.

Veterans – the dog will run at 4" lower than its P-card height, and will run in the regular level classes. The armband number will have a "V" after the number. Veterans will continue to place with their regular P-card height peers in the regular class results postings.

A veteran dog is one of the following:

- Any dog 6 years or older the day of the trial.
- Any breed exception (see www.k9cpe.com rules page for a list of breeds), 3 years or older the day of the trial.
- Any dog that measures over 24" at any age over 15 months.

Enthusiast – the dog will run at 4" lower than its P-card height (any age over 15 months), and will run in the Enthusiast level classes. The armband number will have a "T" after the number. Will place separately from the other height categories.

Specialist – the dog will run at 8" lower than its P-card height (any age over 15 months), and will run in the Specialist level classes. The armband number will have an "S" after the number. Will place separately from the other height categories.

P-card: Permanent Card. The height card shows the lowest allowable height a dog may jump in the regular height category. A dog may jump higher than its P-card height in the regular height category only.

- ANY dog without a P-card **MUST** be measured (including 24" dogs). ANY dog that has turned 2 years old since its last measure **MUST** be measured.
- If you have a P-card for 8" and your dog's actual measurement is 8" or less, have your dog remeasured at the next show for the regular 4" jump height.
- **If a premium requests you send a copy of your P-card with your entry: PLEASE DO SO!** The club may be using their own trial secretary program, not CPE's, and **MUST** have your CPE card to ensure your legs are credited to the verified CPE ID number.

Jump heights – no dog will jump lower than 4"

Measurement	Regular (P-card or higher)	Veterans	Enthusiast	Specialist
8" or less	4"	4"	4"	4"
over 8", 12" or less	8"	4"	4"	4"
over 12", 16" or less	12"	8"	8"	4"
over 16", 20" or less	16"	12"	12"	8"
over 20", 24" or less	20"	16"	16"	12"
over 24"	24"	20"	20"	16"

Just starting in CPE? Changing jump height categories? Which level to enter:

When a dog first begins showing in CPE, the handler must decide what level to begin at: Level 1, 2, or 3 in Regular, Enthusiast or Specialist. No dog is allowed to begin higher than level 3.

NOTE: If a dog is entered in one height category at a higher level, and the handler moves the dog to another height category, the dog may begin that height category at a different level. EX: dog is entered in Regular level 3, earns a Q, handler wishes to move to Specialist, the dog is again allowed to begin at level 1, 2, or 3.

Once a dog shows in a specific level within a height category in CPE, the dog cannot be moved to the next higher level for a respective class within that height category, until the requirements have been met for that class. If a dog does NOT receive a Q, at the next show, the handler may choose to restart within that height category at a lower level.

Level 1 – Standard has no teeter or weaves. All games must have teeter and weaves optional if within the design. Games: levels 1 & 2 are always combined. ANY dog AND/OR handler MAY begin in level 1 regardless of training or other agility venue experience.

Level 2 – Standard will have the teeter and weaves. ANY dog AND/OR handler MAY begin in level 2 regardless of training or other agility venue experience.

Level 3 – Games are often combined with the higher levels: level 3 will always receive more time in the faultable classes and is required to obtain fewer points in the point classes. Dogs beginning in CPE level 3 should have other venue trial experience or have earned other agility venue titles.

Levels 4, 5, C – no dog may begin showing in CPE at these levels. For a dog to enter Levels 4, 5 or C in any class, the dog must have completed the previous level's requirements for that class.

There are tracking forms on the forms page of the website. **It is the handler's responsibility to keep track of records obtained at the shows.** If a leg is missing for any reason, the handler must supply CPE with the details for research. If the details are not known, CPE cannot research the leg.

General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the show site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms **MUST** be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Forms cannot be emailed or faxed.
- Dogs run without collars.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10' feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. Exhibitors may not use the warm-up area to relieve their dogs.

Questions? See the rules page on the website, www.k9cpe.com or the January 2007 rulebook. If you have further questions, email CPE – cpe@charter.net.
